

JpGU - AGU Joint Meeting 2020

For a Borderless World of Geoscience

Japan Geoscience Union, American Geophysical Union

24-28 MAY 2020
Makuhari Messe, Chiba, Japan

Exhibition Guidance

-Special Exhibition Booth-

Japan Geoscience Union
American Geophysical Union

Outline of JpGU-AGU 2020

Outline

Name of the meeting	Japan Geoscience Union Meeting 2019
Date	May 24th (SUN) – 28th (THU) ,2020 for 5 days
Venue	Makuhari Messe International Conference Hall, International Exhibition Hall 8 / Tokyo Bay Makuhari Hall
Host	Japan Geoscience Union, American Geophysical Union

Society Members

Japanese Society for Biological Sciences in Space, Japan Society of Engineering Geology, The Japanese Society of Hot Spring Sciences, The Oceanographic Society of Japan, The Volcanological Society of Japan, Society of Science on Form, Japan, Japanese Society for Active Fault Studies, Meteorological Society of Japan, Japan Association of Mineralogical Sciences, Japan Cartographers Association, The Palaeontological Society of Japan, The Japanese Association for Arid Land Studies, The Society of Resource Geology, The Seismological Society of Japan, Japan Society Natural Disaster Science, Japan Society of Geoinformatics, Japanese Association of Hydrologic of Science, Japan Society of Hydrology & Water Resources, Society of Eco-Engineering, SEE, The Society for the Study of the Origin and Evolution of Life Japan, The Japanese Association for Petroleum Technology, The Japanese Society of Snow and Ice, The Geodetic Society of Japan, The Japan Society of Atmospheric Chemistry, Society of Atmospheric Electricity of Japan, The Sedimentological Society of Japan, Japan Association for Quaternary Research, Japan Society of Earth Science Education, The Association for the Geological Collaboration in Japan, Japanese Association of Groundwater Hydrology, The Geochemical Society of Japan, PALEO10: Paleosciences Society, Society of Geomagnetism and Earth, Planetary and Space Sciences, Japanese Geomorphological Union, The Geological Society of Japan, The Geothermal Research Society of Japan, The Japanese Society for Geographical Science, The Association of Japanese Geographers, The Geographic Education Society of Japan, The Association of Geography Educators of Japan, Geographic Information System Association of Japan, Tokyo Geographical Society, The Tohoku Geographical Association, Japanese society of soil physics, The Clay Science Society of Japan, The Society of Agricultural Meteorology of Japan, The Society of Exploration Geophysicists of Japan, The Japanese Society of Physical Hydrology, The Remote Sensing of Society Japan, The Japanese Society for Planetary Sciences (As of February 28th, 2019)

Supporting Members

Regional city Convention attraction Promotion Council, FORTE Science Communication, ASO UNESCO GLOBAL GEOPARK, Crimson Interactive Japan, World Creations Inc, Japan Geoparks Network (JGN), American Journal Experts CACTUS COMMUNICATIONS K.K.

Co-sponsor

The Astronomical Society of Japan, The Japanese Coral Reef Society, Japana Association for Earthquake Engineering, The Japan Landslide Society, The Japanese Geotechnical Society, Japan Society of Erosion Control Engineering, The Japan Society of High Pressure Science and Technology, Japan Society Of Civil Engineers

Sponsorship

Science Council of Japan / Ministry of Education, Culture, Sports, Science and Technology-Japan / Geospatial Information Authority of Japan / Meteorological Research Institute / Kakioka Magnetic Observatory, Japan Meteorological Agency
Hydrographic and Oceanographic Department, Japan Coast Guard / National Institute for Educational Policy Research
Hokkaido Research Organization / Japan Oil, Gas and Metals National Corporation / National Museum of Nature and Science / Japan Aerospace Exploration Agency / Japan agency for Marine-Earth Science and Technology / National Institute for Environmental Studies, Japan / National Institute of Advanced Industrial Science and Technology / National Institute of Information and Communications Technology/ Forestry and Forest Products Research Institute / Public Works Research Institute / Institute for Rural Engineering, NARO / National Institute for Materials Science
National Research Institute for Earth Science and Disaster Resilience / RIKEN / High Energy Accelerator Research Organization / National Astronomical Observatory of Japan / National Institute of Polar Research / The Institute of Statistical Mathematics / Research Institute for Humanity and Nature (planned) / Japan Geotechnical Consultants Association / The Institute of Electronics, Information and Communication Engineers / Tokyo Geotechnical Consultant Association / The Japan Society of Mechanical Engineers / The Japan Society for Aeronautical and Space Sciences
Japan Analytical Instruments Manufacturers' Association / Central Research Institute of Electric Power Industry
Japan Space Forum / Association for The Development of Earthquake Prediction / Research Institute of Innovative Technology for the Earth / Fukuda Geological Institute / Japan Association of Surveyors / Chiba Convention Bureau and International Center / Chiba City / Chiba Prefectural Board of Education / Chiba City Board of Education

Outline of Exhibition-1

Outline

Name : **JpGU-AGU 2020** Special Exhibition Booth
 Data : **May 24th (SUN) – 28th (THU)** ,2020 For 5 days
 Venue: Makuhari Messe International Exhibition Hall 8

Route for Carrying

Parking for carrying in and carrying out

Shutters OPEN TIME

① South shutter

- May 23rd (SAT) 3:00–6:00 PM
- May 28th (THU) 7:30–9:00 PM

※ South shutter is not possible from May 24th to May 28th 7:30PM.

If you carry-in by car on May 24th, you should use the North shutter even though you should park near the south shutter.

② North shutter

- May 23rd (SAT) 3:00–6:00 PM
- May 24th (SUN) 8:30–10:00 AM
- May 28th (THU) 7:30–9:00 PM

※ There's an iron door next North Shutter. It's available after 4:00PM on May 28th.

Size of EV

Car: 1.65 m wide and 2.0 m deep

Door: 1.3 m wide and 2.1 m high

If you need to carry bigger items than EV to 2F, please contact us in advance.

Notification-1

Exhibitors shall observe the following regulations

1. General

- We will make every effort to ensure the security of the venue during the Meeting. However management cannot assume responsibility for damage arising from natural disaster, fire, theft, loss of property or any other cause. Please make your belongings secured by yourself, such as not to leave your valuables on the empty booth, or to use chains to fix to the booth. Exhibitors are asked to be responsible for all of their belongings and to obtain suitable insurance cover for any valuable items.
- Unfortunately there is no storage space available at the meeting venue.
- We may, due to force majeure, make major changes to the exhibition timetable or, in extreme cases, cancel exhibitions entirely. In such case part of the exhibition fee may be refunded to exhibitors. In no other case shall we be responsible for losses or expenses incurred by exhibitors.
- We reserves the right to refuse to allow any exhibition which is in their view unsuitable for JpGU Meeting.
- Subletting, selling, transferring, or exchanging exhibition space, either in whole or in part, to any third party, including other exhibitors, is prohibited.
- Please abide by the timetable given for carrying-in, showing and carrying-out exhibitions. Please contact us as soon as possible should this not be possible.

2. Exhibition Installation and Removal

- Direct work upon or modification to the floors, walls, columns, doors and other structures of the exhibition venue is prohibited. Please be careful not to damage or deface any part of the venue during carrying-in, carrying-out, and show hours.
- Exhibitors are not permitted to erect temporary ceilings or any similar structure. As a general rule the height limit for the highest point of an exhibition is 2.5m. Exhibitors who of necessity wish to exceed this limit are asked to obtain permission to do so from the venue ([Email exhibition@jpgu.org](mailto:exhibition@jpgu.org)) in advance. We reserves the right to refuse such permission at its discretion.
- Exhibitors who wish to use anchor bolts are requested to contact us in advance. **About booth No. 71-82 in 2F central mall, the use of anchor bolts is prohibited.** Restoration expenses will be invoiced to the exhibitor. Maximum allowed anchor depth is 80mm. Anchor bolts should not be installed in the pit.
- Maximum allowed load pressure on the exhibition hall floor is 5 t/m² (except for the pit) ,**as for on 2F central mall floor is 350kg/ m²** . Those with heavy exhibits are asked to contact us in advance.
- Any potentially flammable materials used in exhibitions such as display mountings, carpeting, curtains etc. must be fireproof. Please attach a fireproof tag to all such items.
- The Japanese fire prevention law prohibits smoking, live flames, exposed elements, liquefied petroleum gas or other flammable gases, gasoline, kerosene, flammable oils and other similar hazardous objects and substances.

Notification-2

- Exhibitors are required to remove and suitably dispose of all of their waste and scrap materials.
- As there is no storage space available at the venue, exhibitors are asked to keep empty boxes, packaging materials, stocks etc. within their exhibition booth.
- If either we or exhibition venue staff determine that an exhibit is dangerous or is causing any other problem the exhibitor will be required to immediately take any necessary corrective measures.

During Exhibition Hours

- Exhibitors are required to keep noise, vibration, smell, smoke etc. to levels which do not interfere with other exhibitors, meeting participants or venue staff.
- Exhibitors should restrict the audio volume from their booth so as not to cause inconvenience to other exhibitors and participants. If complaints are received or noise is deemed to be excessive the we will require the exhibitor in question to reduce the volume. In addition to disrupting the normal progress of the meeting, excessive volume may cause serious problems in an emergency situation.
- Exhibitors are not permitted to use the space outside their booth for presentations or product exhibitions.
- If either we or exhibition venue staff determine that an exhibit is dangerous or is causing any other problem the exhibitor will be required to immediately take any necessary corrective measures.

Rooms are available in Exhibition Hall 8 for short term use by exhibitors. They do not need to be reserved. Exhibitors are asked to use these facilities in moderation so that they remain generally available as a service for all.

Exhibitors' room and business talk area will be settled in Exhibition Hall 8.
Reservation not required to use them. Please use in mutual concessions.

P.R. application– 1

Exhibitors can apply for advertisement through the online system
JpGU-AGU 2020 website -> Information for Exhibitors -> For exhibitors [>> Log in]
<https://www.jpgu-member.org/exhibition-booth/login/>
