Japan Geoscience Union Code of Ethics, Article 2

The term "misconduct" as used in these Rules shall mean any of the following acts

- (1) Fabrication, falsification, or plagiarism in research, and acts of concealment or obstruction of proof thereof.
- (2) Misuse of research funds, etc.
- (3) Acts in violation of laws and regulations.
- (4) Violation of personality and harassment.

With regard to (1) and (2) of the preceding paragraph, acts that are in violation of the Code of Conduct prescribed separately by the Japan Geoscience Union, are intentional, or are not in accordance with the basic principles of a researcher.
