# Notification - 1

Exhibitors shall observe the following regulations

## 1. General

- We will make every effort to ensure the security of the venue during the Meeting. However management cannot assume responsibility for damage arising from natural disaster, fire, theft, loss of property or any other cause. Exhibitors are asked to be responsible for all of their belongings and to obtain suitable insurance cover for any valuable items.
- Unfortunately there is no storage space available at the meeting venue.
- We may, due to force majeure, make major changes to the exhibition timetable or, in extreme cases, cancel exhibitions entirely. In such case part of the exhibition fee may be refunded to exhibitors. In no other case shall we be responsible for losses or expenses incurred by exhibitors.
- We reserves the right to refuse to allow any exhibition which is in their view unsuitable for JpGU Meeting.
- Subletting, selling, transferring, or exchanging exhibition space, either in whole or in part, to any third party, including other exhibitors, is prohibited.
- Please abide by the timetable given for carrying-in, showing and carrying-out exhibitions. Please contact us as soon as possible should this not be possible.

## 2. Exhibition Installation and Removal

- Direct work upon or modification to the floors, walls, columns, doors and other structures of the exhibition venue is prohibited. Please be careful not to damage or deface any part of the venue during carrying-in, carrying-out, and show hours.
- Exhibitors are not permitted to erect temporary ceilings or any similar structure. As a general rule the height limit for the highest point of an exhibition is 2.5m. Exhibitors who of necessity wish to exceed this limit are asked to obtain permission to do so from us in advance. We reserves the right to refuse such permission at its discretion.
- Exhibitors who wish to use anchor bolts are requested to contact us in advance. Restoration expenses will be invoiced to the exhibitor. Maximum allowed anchor depth is 80mm. Anchor bolts should not be installed in the pit.
- Maximum allowed load pressure on the exhibition hall floor is 5 t/m<sup>2</sup> (except for the pit). Those with heavy exhibits are asked to contact us in advance.
- Any potentially flammable materials used in exhibitions such as display mountings, carpeting, curtains etc. must be fireproof. Please attach a fireproof tag to all such items.
- The Japanese fire prevention law prohibits smoking, live flames, exposed elements, liquefied petroleum gas or other flammable gases, gasoline, kerosene, flammable oils and other similar hazardous objects and substances.

## Notification - 2

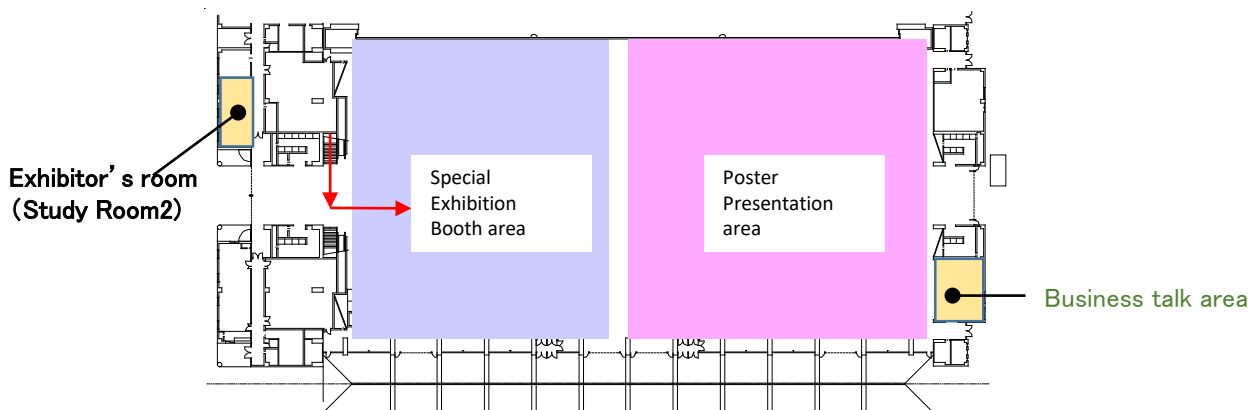

- Exhibitors are required to remove and suitably dispose of all of their waste and scrap materials.
- As there is no storage space available at the venue, exhibitors are asked to keep empty boxes, packaging materials, stocks etc. within their exhibition booth.
- If either we or exhibition venue staff determine that an exhibit is dangerous or is causing any other problem the exhibitor will be required to immediately take any necessary corrective measures.

### During Exhibition Hours

- Exhibitors are required to keep noise, vibration, smell, smoke etc. to levels which do not interfere with other exhibitors, meeting participants or venue staff.
- Exhibitors should restrict the audio volume from their booth so as not to cause inconvenience to other exhibitors and participants. If complaints are received or noise is deemed to be excessive the we will require the exhibitor in question to reduce the volume. In addition to disrupting the normal progress of the meeting, excessive volume may cause serious problems in an emergency situation.
- Exhibitors are not permitted to use the space outside their booth for presentations or product exhibitions.
- If either we or exhibition venue staff determine that an exhibit is dangerous or is causing any other problem the exhibitor will be required to immediately take any necessary corrective measures.

Rooms are available in Exhibition Hall 7 for short term use by exhibitors. They do not need to be reserved. Exhibitors are asked to use these facilities in moderation so that they remain generally available as a service for all.
