B-1. Uploading/Publishing procedure of pdf • image files	12
B-2. Publishing procedure of movies	15

1. For Presenters

Thank you for registering to participate in JpGU 2025. This manual is a guide for uploading e-posters, on-demand videos, and additional materials.

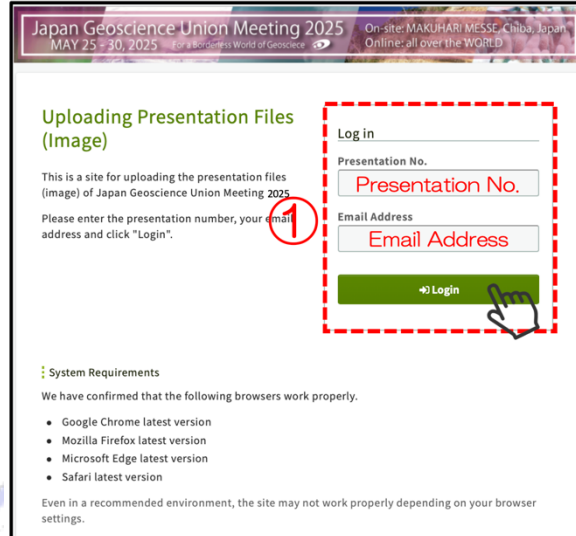

- **【Optional】** On-demand videos and additional materials can be uploaded separately from your oral presentation on-site or online.
- **【Required】** All poster presenters must upload their poster presentation materials in advance. One or more of these will be combined to form the poster presentation material. **However, please note that if you upload only additional materials, we may not be able to issue a certificate of presentation.** Please upload e-posters or on-demand videos whenever possible.

2. e-poster

- You can upload **from (Tu) 22 April**. Instructions and link for uploading will be sent (from noreply.confit@atlas.jp) to e-poster presenters who have already registered by (Th) 17 April.
Subject : 【Japan Geoscience Union Meeting 2025】 e-poster uploading information
- Uploaded materials will be posted on Confit (Meeting Portal Site) from (F) 16 May (from this date, log in authentication is required to view Confit, so the materials will be available only to registered attendees). Display period will be from 16 May to one year after the meeting end.
- There is no deadline for uploading and replacing presentation materials, but we recommend that you upload your presentation materials no later than three days before the start of the meeting (22 May) so that the participants can view them before the meeting.
- The content can be the same as the on-site poster (ex. A0 single image file). Upload each of your slides as a single file. Up to 100 slides (10 MB or less/ file, JPEG, JPG, PNG format) can be uploaded. The first page of slides will be displayed in the presentation space in Confit, and subsequent slides can be viewed in order.
- Downloading, copying, and printing are prohibited by the system.
- Until the upload is complete, a temporary file titled "No Files have been uploaded" will be posted in the presentation space in Confit.

3. How to upload e-posters

① Please access the URL of the e-poster upload system we sent you and **log in with the presentation no. and e-mail address.**

6. Additional materials

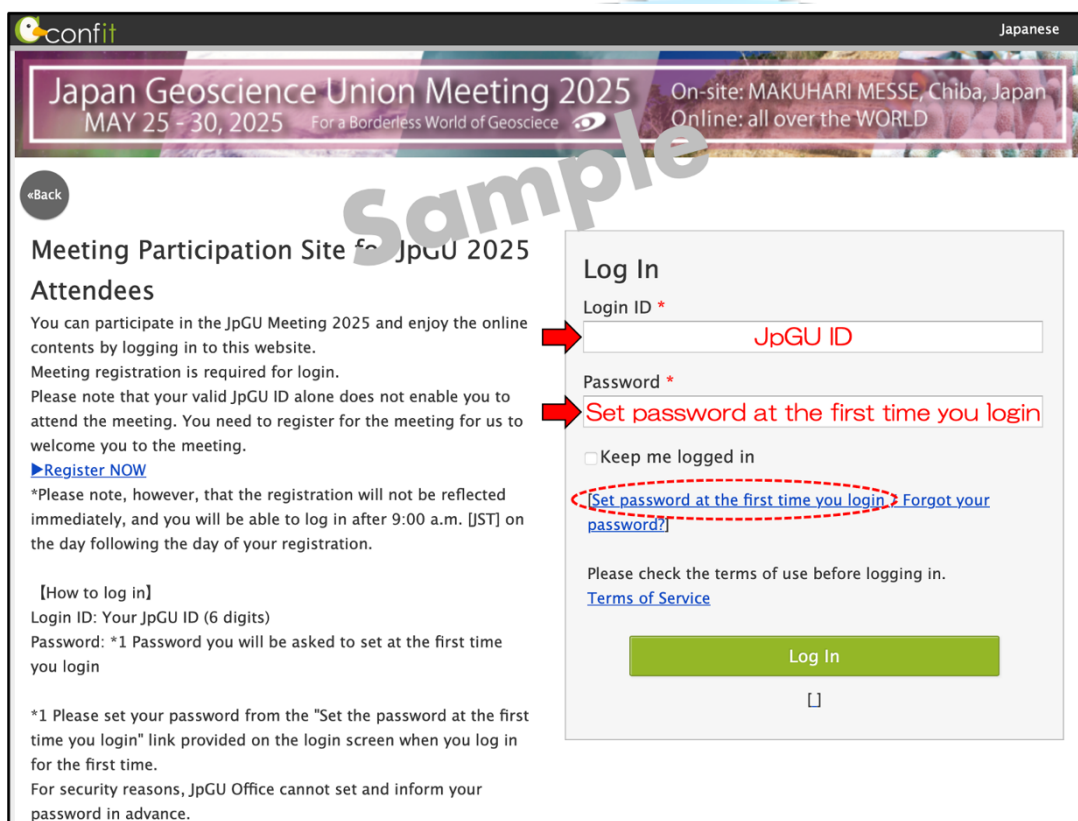

- You can upload **from (F) 16 May**.
- Log in to Confit (Meeting Portal Site) and upload your additional materials to your own presentation space (file cabinet). Up to 10 files (10 MB or less each in PDF, JPEG, JPG, PNG, GIF format) can be uploaded.
- If you use movies as additional materials, please upload the created movie to YouTube or other sites and post the URL in the space.
- Uploaded additional materials can be viewed by meeting attendees who have logged in to Confit. Display period will be one year after the meeting end.
- It is not possible to prohibit downloading. Please use your own judgment when setting security settings for your files.
- If you upload only "additional materials," we may not be able to issue a certificate of presentation. Those presenting in posters are requested to try to upload as e-posters or on-demand videos.
- If you are unable to make an oral presentation via Zoom due to connection problems, you can use this service.

7. How to upload/publish "Additional materials"

A. Log in to the Meeting Portal site "Confit"

- If you meet (Th) 15 May 23:59 JST deadline for registration, you will be able to log in to Confit (Meeting Portal Site) system from (F) 16 May. Once the above regular registration deadline passes, your log in to Confit system becomes available on the next day after 09:00 JST of your registration date.
- Please set your password from the **"Set password at the first time you login"** link provided on the log in screen when you log in for the first time. After that, please log in with your **JpGU ID**.
