Register as early as possible !

You need to have a valid JpGU ID. If you do not have one, please create your own JpGU ID before registration.

Once you have used your ID for session proposals (convener registration) or abstract submissions, **you cannot change the ID type (from a regular member ID to a meeting ID, or from a meeting ID to a regular member ID or AGU, AOGS, or EGU member ID).** Please use the ID you already possess also for your registration.

Those who have registered by May 12 will be able to log in to the conference site (Confit) from May 13. **You can still register for the meeting after May 13, including during the meeting, but please note that you will be able to log in to Confit after 9:00 a.m. (JST) on the day following your registration.** Especially for on-site participants, **please be sure to complete the meeting registration by the day before your attendance** and have your e-ticket ready when you arrive at the venue. In order to avoid congestion at the registration desk and to reduce costs, we regretfully cannot accept registration at the site. **Please do not forget to bring the meeting pass with you on the next and subsequent days.**

For those who attend only the Public Sessions: -> https://www.jpгу.org/meeting_j2022/for_public.php

The registration and participation information for the high school students' session->
https://www.jpгу.org/highschool_session/2022/ .

Meeting Outline

Local site Computers in the presentation room will be connected to Zoom and the computer screen will be projected on a projector.

Zoom manager

Chairperson

Audience

Presenter

Audience will ask questions from the microphone in the presentation room.

Online

Participant

Chairperson

Presenter

Poster Presentation Hall

Local poster presentations will not be connected to Zoom, but posters can be uploaded online for later discussion.

A poster presenter can discuss in the online poster

Period and Venue

Hybrid phase: 22 May (Sun) – 27 May (Fri)

- Oral sessions via Zoom live webcast that can be attended at the venue or online
- On-site poster presentation (no online broadcast)

Online Poster Session phase: 29 May (Sun) - 3 June (Fri)

- **Presentation and discussion of posters using the Zoom breakout room online.**

On-site venue: MAKUHARI MESSE, Chiba

- International Conference Hall : 22 May (Sun) – 27 May (Fri)
 - Oral session rooms. CH is a rest/viewing space. On the last day only, CH will be used as a poster display area and IC will be used as a rest/viewing area.
- International Exhibition Hall : 22 May (Sun) – 26 May (Fri)
 - Poster display + rest/viewing space + exhibition booths + special settings
- **Tokyo Bay Makuhari Hall will not be used.**
- Each room will be filled to capacity (about 50% of the normal capacity, no standing). When the number of participants reaches the maximum, participants will be able to access the Internet from a separate viewing space.

Various, many events

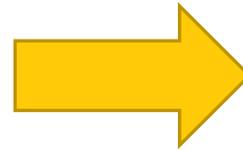

Online Platform: Meeting portal site “Confit”

Login authentication starts on May 13.

Access to Confit will not be available on the morning of May 19 (JST) due to final adjustments

On Site Visits

COVID-19 safety protocols

In addition to cooperating with the venue to ensure thorough disinfection and ventilation, we would like to ask for the cooperation of all visitors in the following ways.

- It is recommended that **you have been vaccinated**.
- Please take your temperature beforehand and refrain from coming if you have a fever or feel ill.
- **On each visiting day, a temperature check will be conducted at the time of first entry.** If the results of the temperature check indicate a body temperature of 37.5° C or higher, you will be asked to go to the cool-down area. **If the results of the re-measurement confirm that you have a fever, we regret to inform you that you will not be allowed to enter.** Please leave the venue and participate online. A dispatched nurse will be stationed in the cool-down area, so please consult with her/him if you have any questions or concerns.
- Please install and use the COCOA application. When you do so, please update the COCOA application to the latest version and turn on Bluetooth.
- Please **wear a mask** (non-woven cloth recommended) in the venue, including during presentations.
- In principle, eating is not allowed in the venue. Please consume beverages quietly. We plan to set up a special area for food and beverages in the convention hall, but **please eat in silence**. The number of the seats is limited. So please use nearby restaurants for lunch.

On-site Entrance Method :

Only those who have a “meeting pass with a sticker of temperature check” will be allowed to enter.

First, register to participate → e-ticket issued at the member site

When you come to the venue for the first time:

1. At the first time visitor lane, hold up the e-ticket (paper or full-size image is acceptable) and the meeting pass is issued.
2. Hold up your face to the thermometer to take your temperature.
 - A) If there is no problem, a temperature sticker will be issued (the color changes each day), which must be affixed to your meeting pass. Then enter the venue.
 - B) If the temperature is 37.5° C or higher, a buzzer will sound and no sticker will be issued. Please cool down in the cool-down area for a while and retake your temperature. A dispatched nurse will be stationed at the area, so please consult her/him if you have any questions.
 - a. If there is no problem after the retest, you will receive a temperature sticker, which you must affix to your meeting pass. Then enter the venue.
 - b. If your body temperature is still high after retesting, please leave your meeting pass at the cool-down area and go home. On the following day, if you are in good physical condition and your temperature has gone down, you may enter the venue. If your body temperature is again checked and there is no problem, you can come enter the venue.

On second and subsequent visits:

- Please remember to bring your meeting pass and take your temperature at the temperature check lane. The procedure after that is the same as the first visit.

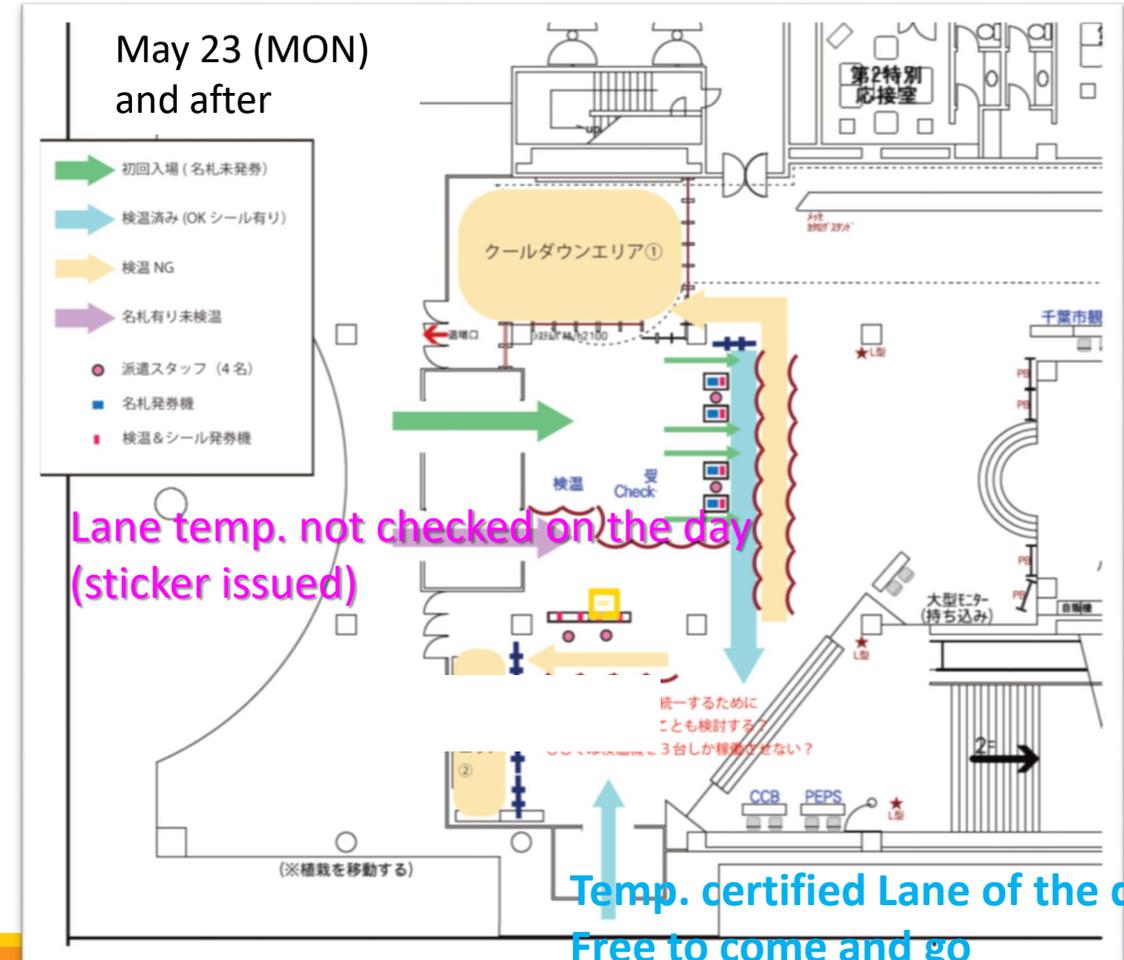

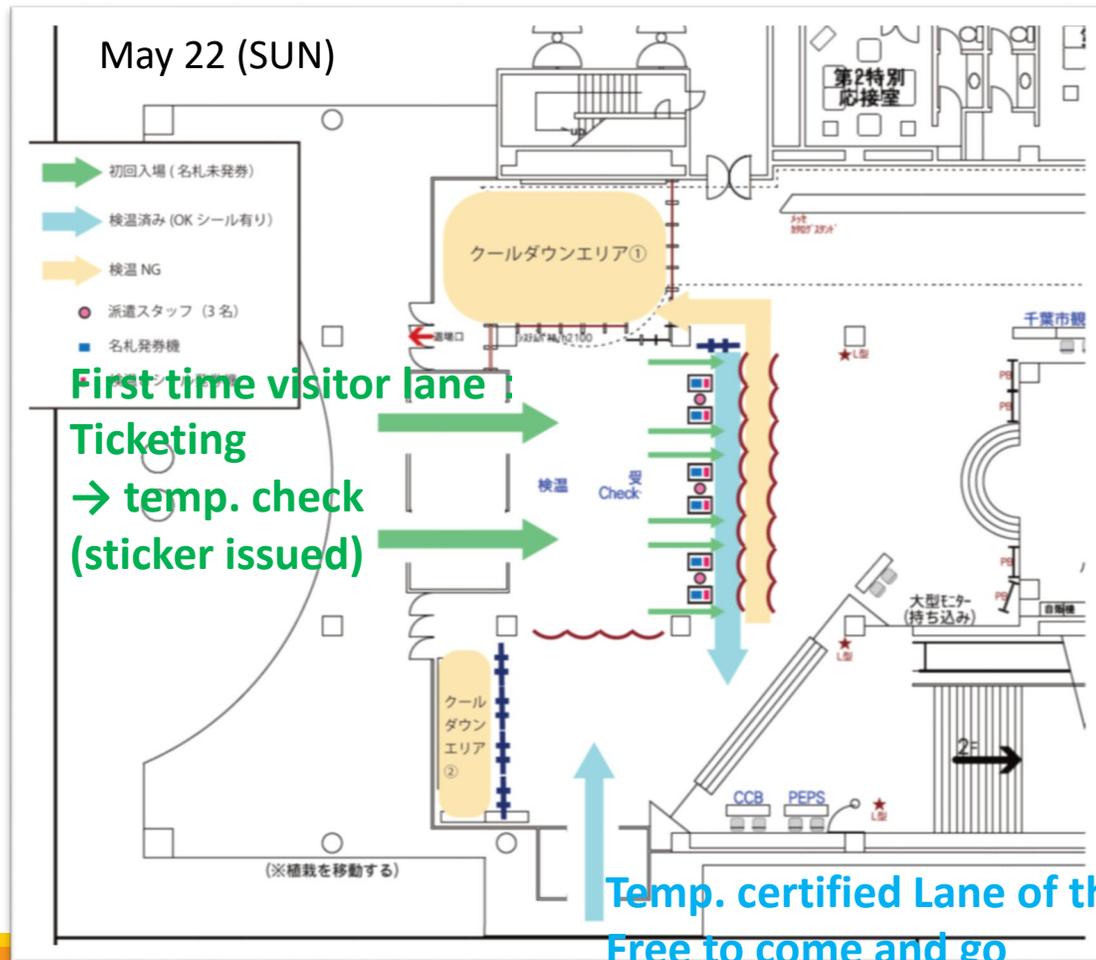

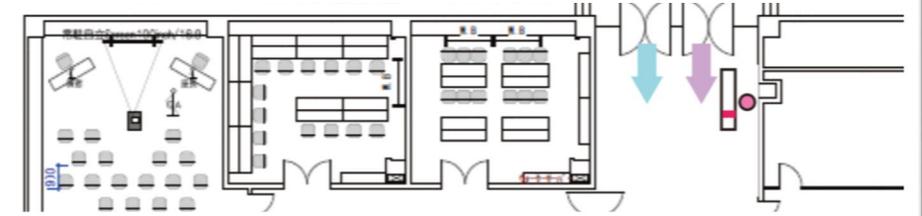

Those who have a “meeting pass with a temperature sticker of the color of the day” are permitted to freely enter and leave the venue on the day.

Please keep your meeting pass visible (around your neck) so that security staff can see it.

If you have not yet taken your temperature and do not have a meeting pass, please take your temperature at the entrance on the 2nd floor of the International Conference Hall and apply a sticker.

On-site Entrance Method

Entrance on the 2nd floor of the International Conference Hall

Local venue opening/leaving and room management

Doors open at 8:00 a.m.

End time of meeting pass issuance: 17:20

Exit time: 19:00 (meeting also ends at 19:00)

Management of each room

- Each room will be locked after the day's use is finished due to the PCs and equipment remaining in the room. In that case, please leave the room as soon as possible.
- Each room will not be locked during lunch break and free time, but a part-time staff member will patrol the rooms. Please cooperate in preventing theft and unauthorized meeting use.

Presenter/Convener/Chairperson Mailing Lists, and How to check local/remote participations

Mailing lists (ML) for communication among presenters/convener/chairpersons are available for each session. Please use the mailing list for session policy announcements, cancellation surveys, on-site/remote presentation requests, flash talk requests, etc.

- `jpgu2022_Session ID (lower case, no hyphen) @jpgu.org` (e.g., for session U-01: jpgu2022_u01@jpgu.org)
- ML distributed only to the conveners and chairpersons `jpgu2022_Session ID (lower case, no hyphen) _conv.chair@jpgu.org` (e.g., jpgu2022_u01_conv.chair@jpgu.org)

Information from conveners to participants about changes in the presentations, etc.

- A spreadsheet is available for conveners to write on (see an email to conveners). → Displayed with a link to the meeting website
https://www.jpgu.org/meeting_j2022/announcement_from_session.php

How to view and confirm local/remote participation of participants

- Use the Confit matching flag function (after Confit login authentication starts).
 - Participants can choose to display their own location. They can change it at any time. → We strongly urge you to display your choice!
 - The chairperson will confirm the whereabouts of the presenter immediately before the session.

The screenshot shows the 'Announcements' section of the Japan Geoscience Union Meeting 2022 website. The page title is 'セッションからのお知らせ' (Announcements from the session). Below the title, there is a table with columns for 'Posting date/ 公表日', 'Session ID/ セッションID', 'Name of Convener who posted this announcement/ コンビナー(公称名)', 'Announcement/ 連絡内容', 'Presentation ID/ 発表発表番号', and 'Detailed explanation/ 詳細'. The table contains one row of data for session U-01, with the announcement text 'Satko lse' and 'Others / その他'. The detailed explanation for this row is 'This is an example. / 入力例です.'.

Posting date/ 公表日	Session ID/ セッションID	Name of Convener who posted this announcement/ コンビナー(公称名)	Announcement/ 連絡内容	Presentation ID/ 発表発表番号	Detailed explanation/ 詳細
APR/14/2022	U-01	Satko lse	Others / その他		This is an example. / 入力例です.

How to proceed with oral presentations: Information for presenters/chairpersons/participants

Outline of Oral Presentations

Oral sessions will be held in 18 rooms (channels) simultaneously according to the schedule.

In principle, live presentations will be made on site or online via Zoom. Live playback of prerecorded videos is also possible.

- The presenter and chairperson can be selected either onsite or online (free choice). -> **We would like to have two chairpersons, one local and one remote, if possible.**
- Please inform the chairperson of your local/remote presentation schedule and cancellation in advance via the session mailing list, etc. The JpGU office will not be able to respond to such requests.
- All sessions will be assigned a room at the site.
- A dedicated PC for presentation will be set up in the on-site room, and local speakers are requested to install the presentation materials on the PC before presenting. **We plan to ask the local speakers to upload the presentation file to a file server that will be announced at a later date. Please wear a mask and sanitize your hands before your presentation.** In addition, there will be a PC for the chairperson, a microphone stand for questions, and a camera to capture the presentation.
- **Please prepare your presentation materials in Microsoft PowerPoint or PDF format. PC specifications for presenters will be announced at a later date. The same type of PCs will be set up in the International Conference Center Convention Hall (break area) so that presenters can check the display of the PCs at the site.**
- Part-time staff will be assigned to each room as a Room Staff (e.g., room attendant, PC operator).
- **"BlueSky Timer" will be installed and displayed (operated by the room staff). Please be punctual.**
- **Manuals for presenters, chairpersons, and audience members will be provided.**
- Since local presenters and participants cannot join the discussion on Zoom chat, please use the comment function of Confit as much as possible for discussion after each presentation.

No standing is allowed in the room. If the rooms are full (we are setting the capacity limit to 50% of normal limit for safety), we will set up a separate viewing space where you can access the network via WiFi, etc., to view the oral sessions.

To enter the room from online, click on the Zoom link of Confit Login-> Timetable -> Session.

- Please make sure you have registered for the meeting in sufficient time to log in to Confit.

Behavior of Oral Presenters (Part 1)

For local presentation

- Please register for the meeting and bring your e-ticket by the day before you arrive at the venue.
- Due to the hybrid system, presenters are requested to **use the presenter's PC (Windows 10) provided in the room (your own PC cannot be used)**. Please prepare your slides as **PowerPoint or PDF files**.
- Slide display can be checked in advance on the same type of PC for presenters in the convention hall (optional).
- **Upload your presentation materials to the file server** before the start of your own presentation (ideally before the start of your session) (Uploading instructions will be sent by e-mail around May 20, see also next page). If it is unavoidable, please put your presentation slides on a USB memory stick and hand them over to the room staff.
- Disinfect hands with alcohol before presentation. Other wiping is optional.
- The presenter's PC will be connected to Zoom in advance. After introduction by the chairperson, please find and launch the presentation slides in the "presentation" folder on the desktop of the presenter's PC with **the PC microphone muted**, turn on the video (optional), share the Zoom screen, and start your presentation. During your presentation, please **speak through the microphone in front of the PC** (please turn on the microphone by yourself). **Please use the mouse cursor or pointer function so that online participants can see you.**
- The presenter's PC defaults to mirroring, but you may use the presenter's tools to give your talk. However, the presenter's tool is not recommended for Zoom, and its operation is not guaranteed, so please do so at your own risk. In case of malfunction, the time required to deal with the malfunction will be included in the presentation time.
- A timer will be displayed on the Zoom screen, so please **be on time for your presentation**.
- After the presentation, close the slides and turn off the video and screen share. Also, please turn off the microphone.

How to use the file collection system

How to use the presenter tool (1/2)

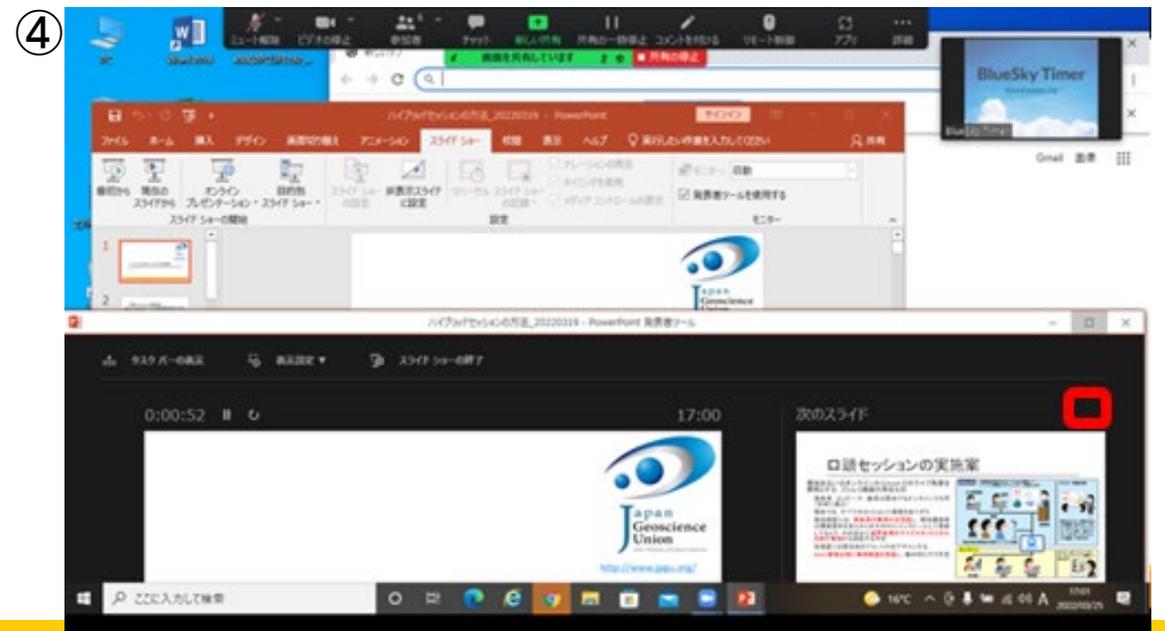

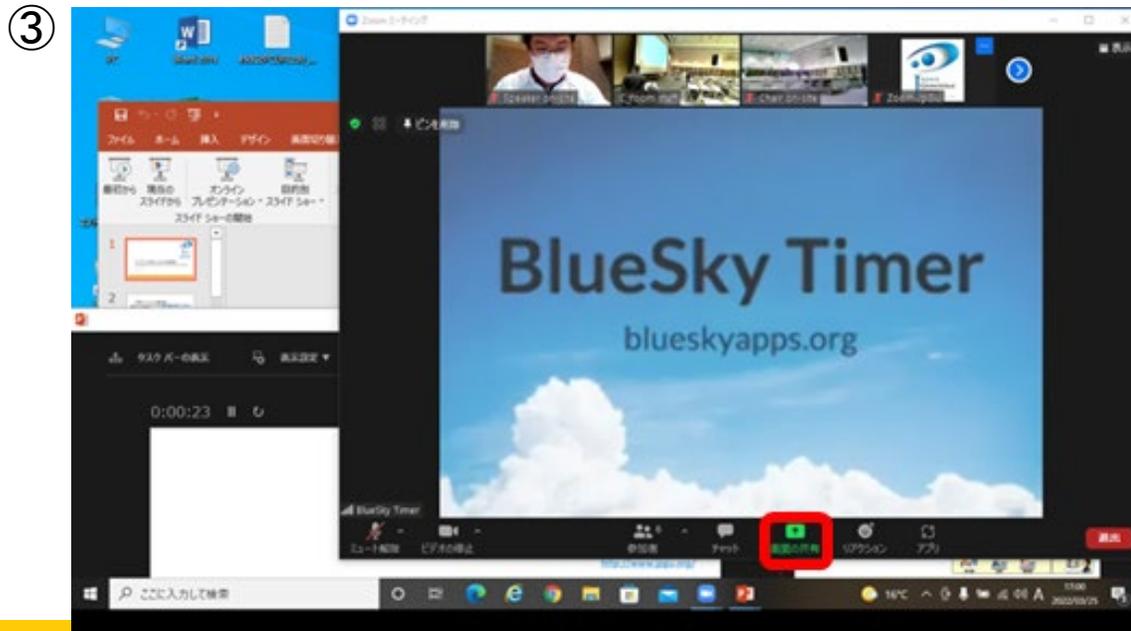

If the Presenter Tool is checked on PowerPoint, it is possible to automatically present using the Presenter Tool. Follow the steps below to set up the Presenter Tools.

- ① Open PowerPoint and start the slide show (click on "From the beginning"). This will project the presentation on the screen.
- ② When the Presenter Tool appears, make the screen smaller. (Click the red frame on the screen)

How to use the presenter tool (2/2)

- ③ Click on the Zoom screen to bring it to the forefront, then click on Share Screen (click on the red frame on the screen). Select the PowerPoint slideshow as the screen to be shared.
- ④ When the screen sharing starts, click on the back of the presenter's tool screen again to bring it to the forefront. Then, maximize the screen (click on the red frame).
- ⑤ When finished, exit the PowerPoint slideshow and turn off screen sharing.

Behavior of Oral Presenters (Part 2)

For remote presentations

- Please register for the meeting well in advance and make sure you can log in to Confit before the meeting.
- Check the slide display, etc. in the Zoom practice room in advance.
- When it is your turn, turn on the video (optional), turn on the microphone, share the screen, and start your presentation.
- When finished, turn off the video, mute the microphone, and cancel screen sharing.
- A timer will be displayed on the Zoom screen, so please **be on time for your presentation**.

If you are not available and request prerecorded video playback

- Create a on-demand video or a prerecorded video as an additional presentation material in advance and post it in your presentation space at Confit.
- Then, please ask the chairperson to play it back.

Chairperson's Job: Moderating (1/3)

Advance preparation

- Please confirm whether the presentations will be given onsite or remotely in advance via the mailing list.
- The chairperson can be either on-site or remotely, but if possible, it will facilitate the smooth operation of the session if a chairperson (or equivalent) is assigned to both on-site and remotely (not mandatory).

Before the session starts

- Please inform the session plan to the on-site room staff.
 - For example, which presentations are not 15-minute, when to ring the bell during the presentation (**default: at 12 & 15 minutes**), and so on.
- The on-site chairperson must **use the chairperson's PC provided in the room**. The chairperson's PC is connected to Zoom in advance.
- If you would like to display the slides, please let the room staff know.
 - If you are a local chairperson, please prepare the slides in PDF format and hand the USB flash containing the PDF file to the on-site room staff (the staff will project the slides from the room staff's PC).
 - If you are a remote chairperson, please share the screen and display it yourself.

Chairperson's Job: Moderating (2/3)

During the session

- The chairperson may show her/his face when speaking.
 - In the case of a local chairperson, **switch the video input from an external camera to an in-camera camera (short-cut key: Alt+n)**. When the talk is over, switch back to the external camera. The installed microphone is turned on only when speaking again. **Please mute your PC microphone at all times.**
 - The remote chairperson may turn on the video input when speaking. When he or she is finished speaking, the video input is turned back off.
- The local chairperson (or chairperson-equivalent or room staff) and the remote chairperson (or chairperson-equivalent) work together to confirm the sharing of the audio screen and to monitor the movement of the local questioners.
- Keep the BlueSky screen pinned to **keep track of the progress of the presentation time.**
- In the absence of the presenter, screen sharing and playback of prerecorded video (e.g., Confit's on-demand video).
- In the case of a panel discussion, the presenter's PC will be used to moderate the discussion. Screen sharing as needed.

Chairperson's Job: Moderating (2/3)

Q&A session :

- Ask remote questioners to raise their hands and then nominate them to speak, identifying themselves by name and affiliation. Or, pick up the questions from the chat posts and ask them to the presenter.
- Request the local questioner to come to the microphone stand for questions and speak by name and affiliation.
- In the case of a remote chairperson, the "chair-on-site" video screen is pinned to confirm whether there is a local questioner and who the questioner is.
- Encourage participants to use the comment function of Confit and oVice for Q&A and discussion after each presentation as much as possible (**we should avoid proceeding by Zoom chat**, as local participants cannot participate if the session proceeds by Zoom chat).

Audience: Behavior with local participation

If you participate in a local session room

- **Do not connect to Zoom**, regardless of whether or not it is the session in which you are participating.
- No standing is allowed. If you cannot be seated, please move to the viewing area.
- If you have a question, **move to the position of the questioner's microphone**. After being nominated by the chairperson, the questioner should state her/his name and affiliation and ask a question.

When viewing at the on-site viewing space

- Connect to the Internet via free WiFi in the venue or your own environment, and connect to Zoom of the session you wish to watch via Confit. Note that the number of connections to the free WiFi in the venue is limited.
- First, mute the speakers on the connected device, make sure that all microphones and video are turned off on Zoom, check the connection of earphones, etc. to prevent sound leakage, adjust the loudspeakers, and **watch quietly**. Change your name to "Name (affiliation)".
- No statements are allowed.

Audience: Behavior with Remote Participation

For remote participation

- Please register for the meeting well in advance and make sure you can log in to Confit before the meeting.
- Connect to the Zoom of the session you wish to attend via Confit. Once connected, make sure that the microphone and video are turned off (if not, turn them off), and change the name to "Name (affiliation)".
- If there are any questions, follow the chairperson's instructions. Usually, you will be asked to indicate your intention with a "raise your hand" button, or you may be asked to post your question in the chat.
- When the chairperson nominates you and allows you to speak, unmute the microphone, state your name and affiliation, and ask a question. You may turn on the video camera when you speak.
- When the Q&A session is over, mute the microphone and turn off the video. Don't forget to "put your hands down".
- **Zoom Chat discussions between remote presenters and participants should not be conducted.** Questions after the presentation can be raised by using the comment function of Confit.

How to proceed with your poster presentation

Poster presentation

All poster presentations are **required to upload poster materials online (Confit)**.

- The poster materials should be "e-poster" or "on-demand video", and if it is unavoidable, please upload "additional presentation materials". It is acceptable to use the same materials as those displayed at the on-site presentation (A0 poster images and slide images can be displayed).
- The materials can be replaced during the presentation period.
- You can view the poster online and ask questions using the comment function throughout the presentation period.

You can optionally make a presentation at the site (May 22 – 27) or at the online poster session (May 29 – June 3) .

Poster presentation

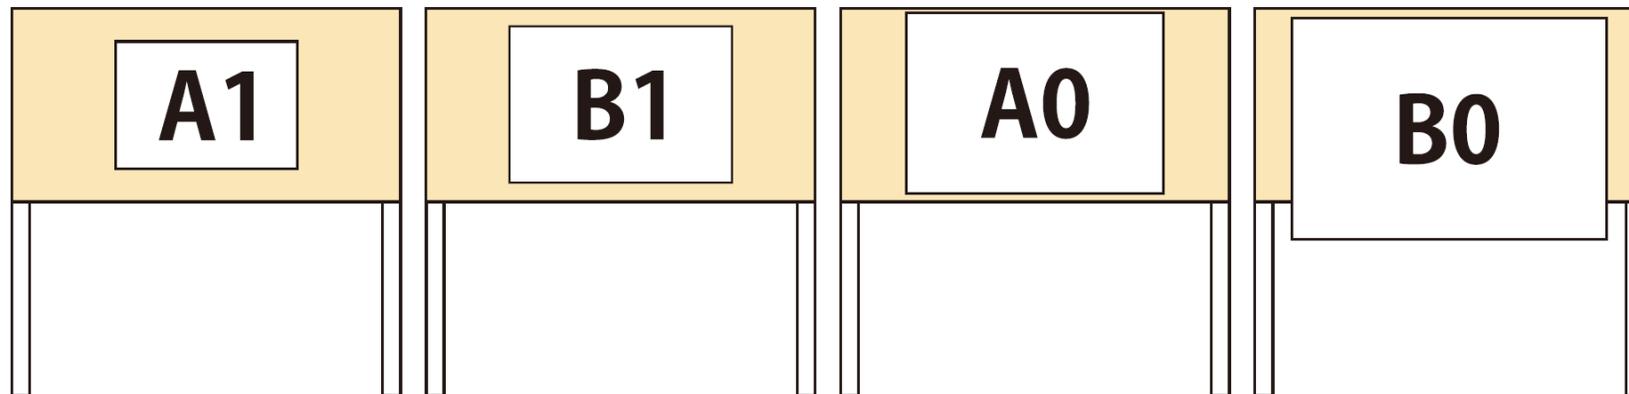

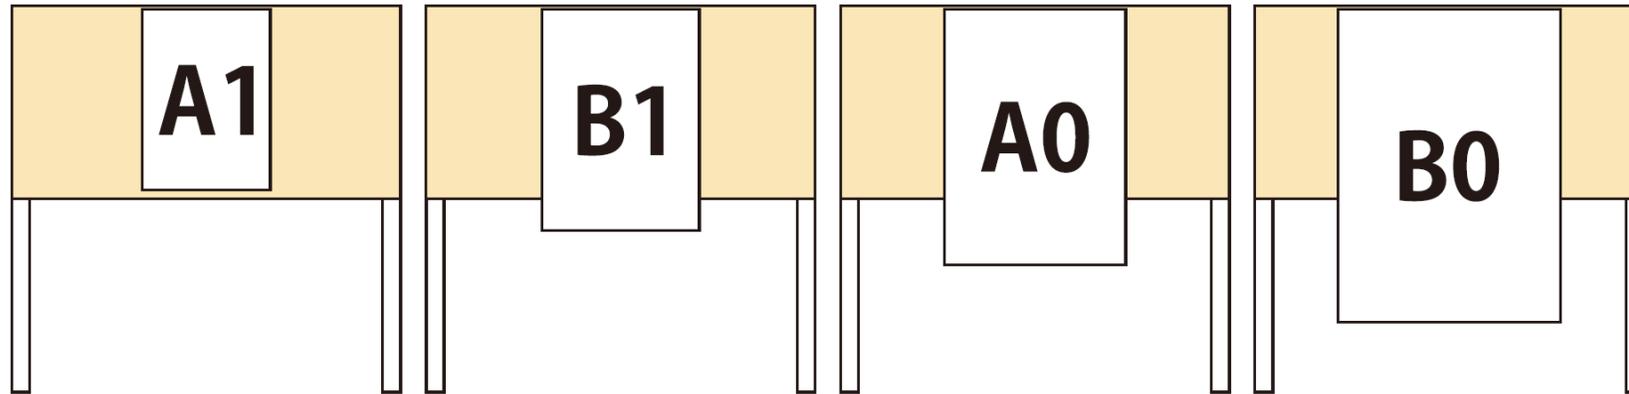

On-site poster presentation

- **Only presentations that are requested at the time of submission and assigned to a poster presentation** may be displayed at the poster session.
- Core time is during PM3 (**17:15-18:45 JST**). In principle, the core time is set on the same day as the oral session.
- In order to avoid congestion, please make use of the time other than PM3.
- The poster board is now horizontal so as not to be as dense as possible (see next page)!
- There will be no online broadcast.

Online Poster Session

- Poster presentation and discussion using Zoom breakout room. Zoom will be provided for each session.
- The core time for posters will be 2 hours from **11:00 to 13:00 JST** each day. Core time will be held in the AM slot (9:00-11:00) or PM slot (16:00-18:00) only for the joint sessions that have been requested to take into account the time difference.
- At the beginning of the poster core time of each session, the chairperson will announce the start of the session and ask the participants to give a flash talk using the Confit session page. If there are too many posters, the chairperson can simply introduce each poster.
 - Please allow approximately 15 minutes for the Flash Talks in the beginning of the session.
 - Please send out information on the Flash Talk method and survey those who wish to participate in Flash Talk via the mailing list, etc. in advance.
- One Zoom host manages multiple Zooms. If you have a question for the host, please use the chat.

Poster board display images

The poster board measures 180cm(W) x 90cm(H).

The screenshot shows the official website for the Japan Geoscience Union Meeting 2022. The main banner features the event title and dates: 'Japan Geoscience Union Meeting 2022 Hybrid (Japan Online) May 22-27, 2022'. Below the banner, there are sections for 'MENU', 'KEY DATES', 'NOW ACCEPTING', 'VISITOR GUIDE', 'PROGRAM', and 'NEWS'. The 'PROGRAM' section highlights 'Sessions of 2022' and 'Scientific Program'. The 'KEY DATES' section lists important dates such as 'Abstract submission closes', 'Early abstract deadline', and 'Session details release'. The website also includes a 'COVID-19 Safety Protocol' link and a 'MANUALS & FAQ' section.

Presentation materials posted on Confit: e-poster, On-demand video, Additional presentation material

Material type	Apply for use by 4/12	Registration by 4/12	Upload by oral presenter	Upload by poster presenter	Download/Copy protect	File formats, etc.	Edit/Replacement after uploading
On-demand video	Required	Required	Optional	Either on-demand video or e-poster is required * Formal presentation requirement	Yes	Movies can be uploaded. Accepted file formats are MP4, MOV, WMV, AVI. File size limit is 250 MB. If it is known in advance that the presenter will not be able to speak during the oral session either on-site or online, we encourage you to create a prerecorded video and post it as an on-demand video	Available anytime
e-poster	Not required		N/A		Yes	Posters can be posted for viewing in image files (JPG, JPEG, PNG) . Either single-slide as for on-site posters or multi-slide format is acceptable. File size limit per slide is 10MB. If you upload each slide as a separate file, the first page of the slide will be displayed in the Confit presentation space, and subsequent slides can be viewed in order.	
Additional presentation material			Optional	Optional(*)	No	Up to 10 files (PDF, JPEG, JPG, PNG, GIF formats) each 10 MB or less, can be uploaded. YouTube video links (thumbnails will be displayed) can also be included.	

- ❑ Meeting registration deadline for presenters is **April 12**. The deadline for on-demand video applications is also **April 12**. →If you have not yet done so, please do so now, although it will take some time before you can upload the file.
- ❑ Uploading of presentation materials will begin on **April 20**. Uploaded materials will be posted on Confit from **May 13** (from this date, login authentication is required to view Confit, so the materials will be available only to participants).
- ❑ It is recommended that participants upload the data no later than three days before the start of the conference (**May 19**) so that they can prepare for the meeting.
- ❑ Detailed uploading instructions will be sent to presenters by e-mail from noreply.confite@atlas.jp.

How to Upload Materials for Confit Publishing

How to upload your e-poster (1/4)

For more information, please see the email sent to poster presenters. A manual is also available.

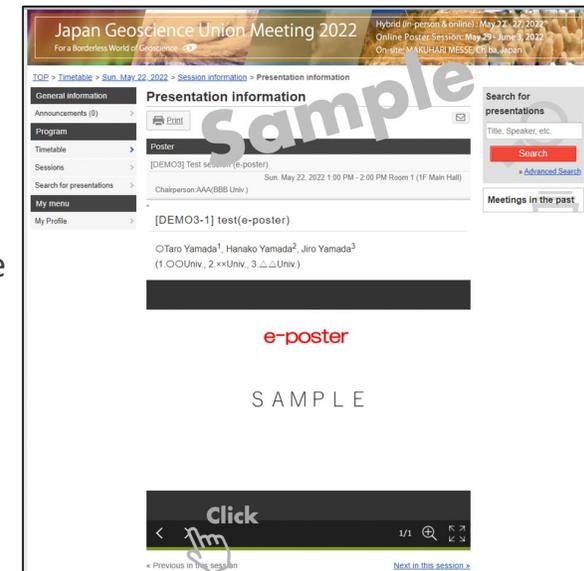

- Subject : 【Japan Geoscience Union Meeting 2022】e-poster uploading information
- Sent from : noreply.confite@atlas.jp
- **Only registered poster presenters will receive this e-mail.** Please note that the e-mail may have been classified as spam.
- This will be sent to you for each poster presentation. If you have more than one poster presentation, please be careful.

For example, if you create your slides in PPT format and save them as PNG or JPG, a set of slide images will be automatically generated. Please note the capacity for a single A0 sheet.

The posting will start on 5/13, and we would appreciate it if you could upload the file by 5/19.

Display period will be from May 13 to one year after the meeting end.

Until the upload is complete, a temporary file titled “No Files have been uploaded” will be posted in the presentation space in Confit. Once a slide is registered, it cannot be returned to its unregistered state.

How to upload your e-poster (2/4)

① Please access the URL of the e-poster upload system we sent you and **log in with the presentation no. and e-mail address.**

② Drop your files in the **"Drop files to upload"** area or click **"Select Files"** button and select files from your PC.

The screenshot shows the login interface. At the top, it says "Japan Geoscience Union Meeting 2022" with dates and location information. The main heading is "Uploading Presentation Files (Image)". Below this, there is a "Log in" section with two input fields: "Presentation No." and "Email Address". A red dashed box highlights these fields and the "Login" button below them. A red circle with the number "1" is placed over the "Login" button. Below the login section, there are "System Requirements" listed: Google Chrome latest version, Mozilla Firefox latest version, Microsoft Edge latest version, and Safari latest version.

The screenshot shows the registration and file upload interface. At the top, it says "Japan Geoscience Union Meeting 2022" with dates and location information. The main heading is "Uploading Presentation Files (Image)". Below this, there is a "Please check the presentation title and upload the files. The presentation title may differ from the program information." section. A red dashed box highlights the registration form fields: "Presentation No." (XYZ00-P00), "Name" (Taro Rengo), "Affiliation" (JoGU University), and "Title" (Title). Below the registration form, there is a "File upload" section with a "Notice" box. The "Files" section contains a "Drop files to upload" area (circled in red) and a "Select Files" button (circled in red). Below the "Files" section, there are "Updatable file type" (jpeg, jpg, png), "File size limit" (10 MB / 1 file), and "Limit number of files" (100). At the bottom, there is a "Cancel" button and a "Logout / Register other files" button.

How to upload your e-poster (3/4)

③ The selected image file is displayed as a thumbnail. If there are more files to be uploaded, click ④ "Add Files" to add them. After confirmation, click ⑤ "Upload" button.

⑥ Check the uploaded file, ⑦ check the box, and ⑧ "Register".

File upload

After upload, image files will be protected from being printed, downloaded, and copied for security reasons.

Notice
After uploading, please be sure to play the images yourself to make sure that the uploaded images are correct. The images can not be deleted. Once uploaded, it cannot be returned to the unregistered state. To replace the file, re-upload a revised version of the file.

Files
Please upload the image files. You may upload more than one image file at a time.

How to Upload On-Demand Video (1/3)

For more information, please see the email sent to presenters who have requested. A manual is also available.

- Subject : 【Japan Geoscience Union Meeting 2022】 On-demand video uploading information
- Sent from : noreply.confite@atlas.jp
- **Only registered presenters who have already requested to use on-demand video will receive this e-mail.** Please note that the e-mail may have been classified as spam.
- This will be sent to you for each presentation you requested. If you have more than one presentation, please be careful.

You can upload one video (250 MB or less, MP4, MOV, WMV, AVI format).

The posting will start on 5/13, and we would appreciate it if you could upload the file by 5/19.

Display period will be from May 13 to three months after the meeting end.

Until the upload is complete, a temporary file titled “No Files have been uploaded” will be posted in the presentation space in Confit. Once a video is registered, it cannot be returned to its unregistered state.

How to Upload On-Demand Video (2/3)

① Please access the URL of the On-demand movie upload system we sent you and **log in with the presentation no. and e-mail address.**

② Click "**Select Files**" button and select files from your PC. ③ **Check the box**, and ④ "**Upload**".

Japan Geoscience Union Meeting 2022
Hybrid (in-person & online) : May 27 - 27, 2022
Online Poster Session: May 29 - June 3, 2022
On-site: MAKUHARI MESSE, CHIBA, Japan

How to Upload On-Demand Video (3/3)

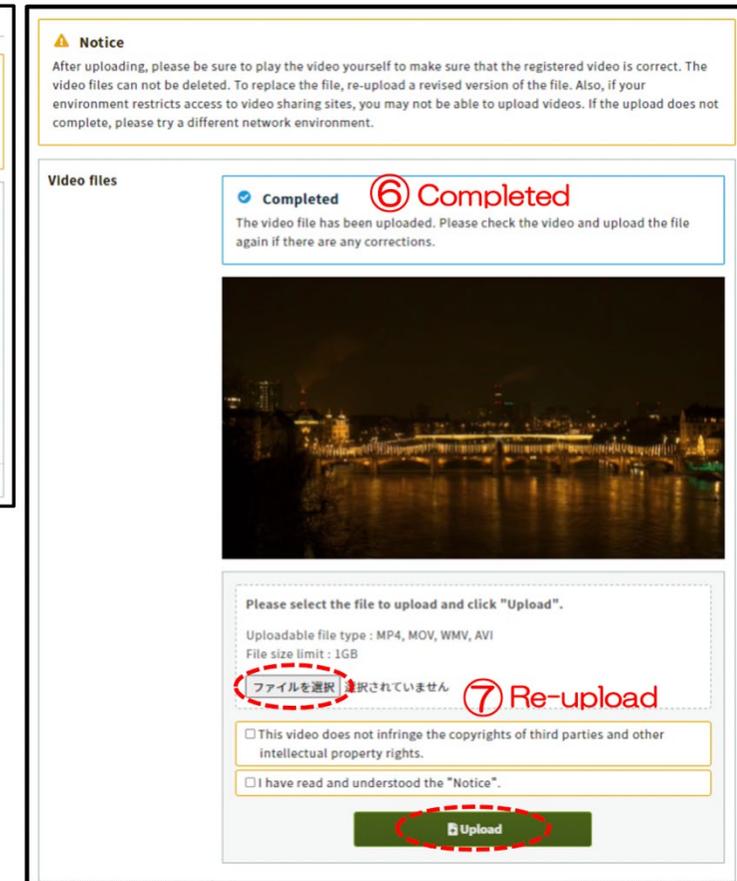

⑤ Please do not close the window until the process (Step1 ~ Step3) is complete.

⑥ Registration is **complete**. You receive an e-mail "【日本地球惑星科学連合2022年大会】講演動画を登録しました/ The presentation Video Registered" (from:noreply.confit@atlas.jp). To change the file, ⑦ **select files** and "**Upload**".

You are free to replace the video, but please note that once the video has been uploaded, it cannot be deleted (i.e., nothing has been uploaded).

The screenshot shows a 'File upload' window with a yellow notice bar at the top. The notice states: 'After uploading, please be sure to play the video yourself to make sure that the registered video is correct. The video files can not be deleted. To replace the file, re-upload a revised version of the file. Also, if your environment restricts access to video sharing sites, you may not be able to upload videos. If the upload does not complete, please try a different network environment.' Below the notice, the 'Video files' section shows a progress bar for 'Step 1. Upload' at 100%, 'Step 2. Transcode' at 0%, and 'Step 3. Thumbnail Registration' as 'Waiting'. A red dashed box highlights the progress bar area with a circled '5' and the word 'Uploading'. At the bottom, there is a table with columns 'Last Modified' and 'Uploading'.

The screenshot shows a 'Video files' window with a yellow notice bar at the top. The notice states: 'After uploading, please be sure to play the video yourself to make sure that the registered video is correct. The video files can not be deleted. To replace the file, re-upload a revised version of the file. Also, if your environment restricts access to video sharing sites, you may not be able to upload videos. If the upload does not complete, please try a different network environment.' Below the notice, the 'Video files' section shows a 'Completed' status with a circled '6' and the word 'Completed'. A video thumbnail is displayed. Below the thumbnail, there is a section for file selection with the text: 'Please select the file to upload and click "Upload".' It lists 'Uploadable file type : MP4, MOV, WMV, AVI' and 'File size limit : 1GB'. A red dashed box highlights the 'ファイルを選択' button with a circled '7' and the word 'Re-upload'. Below this, there are two checkboxes: 'This video does not infringe the copyrights of third parties and other intellectual property rights.' and 'I have read and understood the "Notice".'. At the bottom, there is a green 'Upload' button with a red dashed box around it.

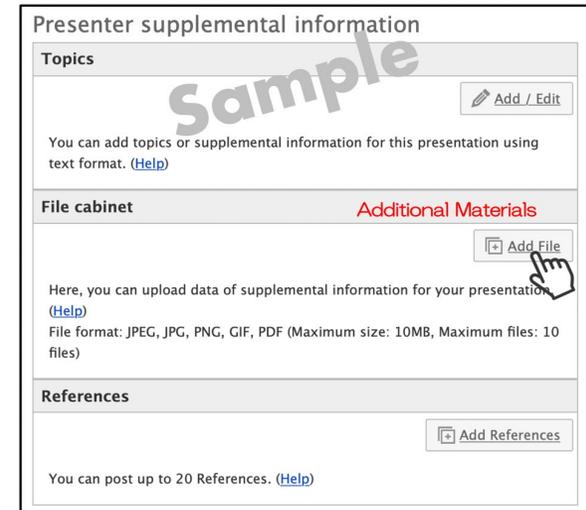

How to upload additional presentation materials (1/7)

After the Confit login authentication starts, you can freely upload your presentation materials in your own presentation space (file cabinet).

Please note that no download protection is applied.

Display period will be from May 13 to one year after the meeting end.

In addition to PDF and image files, videos can be made public by attaching a link to a video distribution service such as YouTube (please use your own judgment in deciding how to make videos public, such as limited publication).

Presenter supplemental information

Topics Add / Edit

You can add topics or supplemental information for this presentation using text format. [\(Help\)](#)

File cabinet Additional Materials Add File

Here, you can upload data of supplemental information for your presentation. [\(Help\)](#)
File format: JPEG, JPG, PNG, GIF, PDF (Maximum size: 10MB, Maximum files: 10 files)

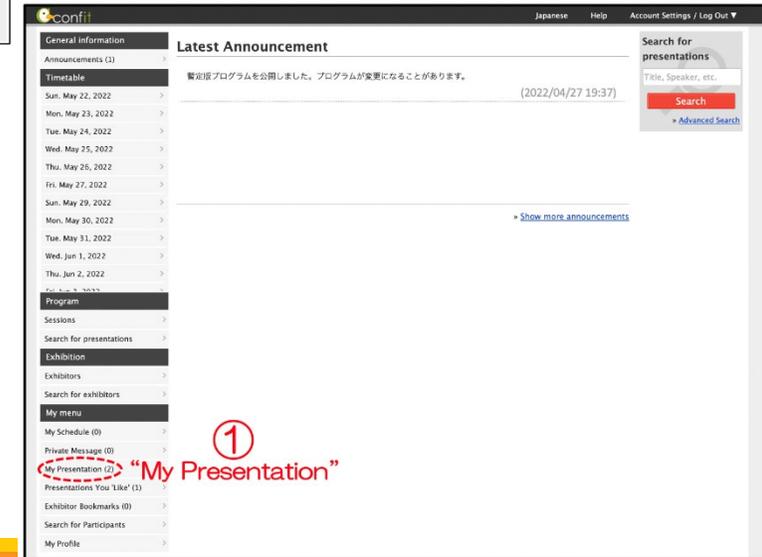

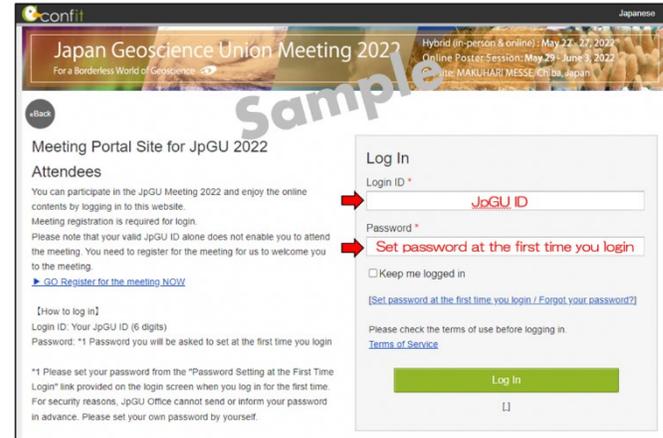

References Add References

You can post up to 20 References. [\(Help\)](#)

How to upload additional presentation materials (2/7)

Please log in to Confit first (after May 13).

① After login to Confit, please proceed to **"My Presentation"**.

How to upload additional presentation materials (3/7)

Uploading/Publishing procedure of pdf and other image files

- ② Click "View Presenter supplemental information".
- ③ Click "Add File" in the File cabinet.

The screenshot shows the 'My Presentation' page. On the left is a navigation menu with categories like 'General information', 'Program', 'Timetable', 'Sessions', 'Search for presentations', 'Exhibition', 'Exhibitors', 'Search for exhibitors', 'My menu', 'My Schedule (0)', 'Private Message (0)', 'My Presentation (2)', 'Presentations You 'Like' (1)', 'Exhibitor Bookmarks (0)', 'Search for Participants', and 'My Profile'. The main content area is titled 'My Presentation' and includes a breadcrumb trail: 'All (2) > May 3... > May 3... > Jun 1 (0) > Jun 3 (0) > Jun 4 (0) > Jun 5 (2) > Jun 6 (0)'. Below this are buttons for 'Export as PDF' and 'Print All'. The date 'Mon. May 23, 2022' is displayed. The presentation title is '[E]Poster | X (OO) | X-YZ OO'. A red circle with the number '2' highlights the link '[X-YZ00] OO Science'. Below the title is a 'Live(Zoom)' button and a 'View Presenter supplemental information' link, which is also highlighted with a red dashed circle and a red arrow. The time '5:15 PM - 6:30 PM' is shown. A message box states: 'You can add Presenter supplemental information to this presentation (Help). To add, click 'Add Presenter supplemental information'. -> Add Presenter supplemental information'. Below this is a link to '[X-YZ00-P00] Particle size of Ryugu's subsurface layer i from observation of SCI crater's ejecta curtain.' and the name 'O Taro Rengo ^ (1. JpGU Univ.)'.

The screenshot shows the 'Presenter supplemental information' page. It has a 'Topics' section with an 'Add / Edit' button. Below this is a text area with the instruction: 'You can add topics or supplemental information for this presentation using text format. (Help)'. The 'File cabinet' section is highlighted with a red circle and arrow, and contains an 'Add File' button, also highlighted with a red dashed circle and arrow. Below the 'File cabinet' is a text area with the instruction: 'Here, you can upload data of supplemental information for your presentation. (Help) File format: JPEG, JPG, PNG, GIF, PDF (Maximum size: 10MB, Maximum files: 10 files)'. The 'References' section has an 'Add References' button. Below this is a text area with the instruction: 'You can post up to 20 References. (Help)'.

How to upload additional presentation materials (4/7)

④ Select a file, enter a title (required) and explanation, and click ⑤ "Upload" button.

⑥ Check your file in the File cabinet. Click "Move to live" to publish the contents to participants. Click "Move to staging" to hide (unpublish). You can "Delete" files and "Edit" their titles and explanations.

How to upload additional presentation materials (5/7)

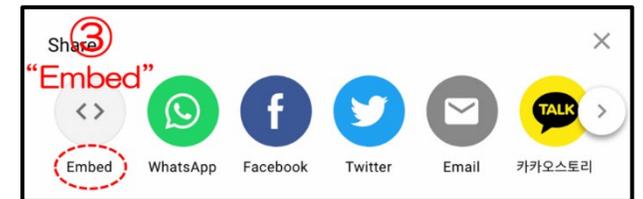

Publishing procedure of movies

Please upload your movies to YouTube or other media. In the following, we will assume that you have uploaded the file to YouTube.

② Click **"SHARE"** on the YouTube screen.

③ Click **"Embed"**.

④ Copy the text from `<iframe>` to `</iframe>`.

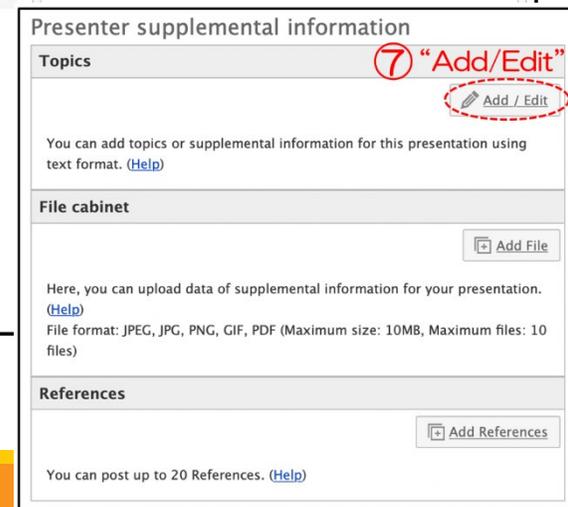

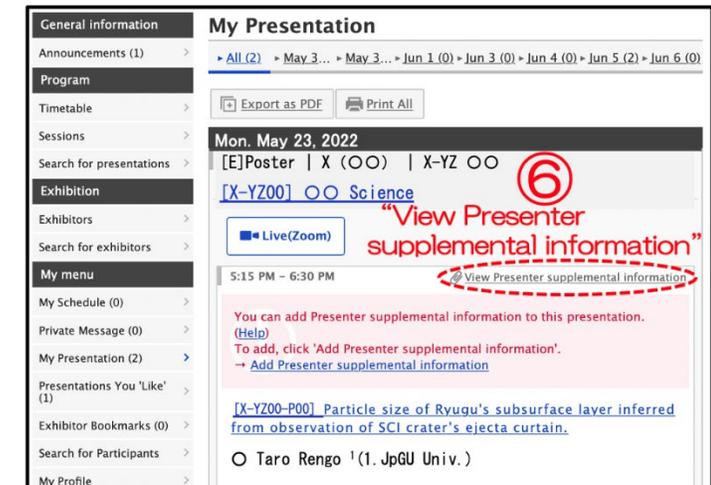

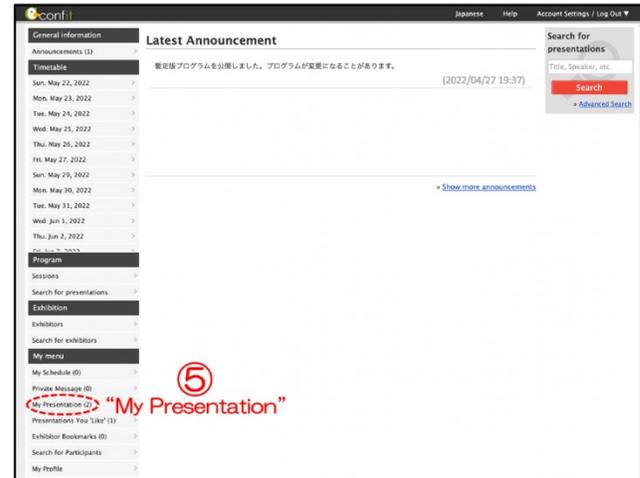

How to upload additional presentation materials (6/7)

⑤ After login to Confit, please proceed to "My Presentation".

⑥ Click "View Presenter supplemental information".

⑦ Click "Add/Edit" in the Topics.

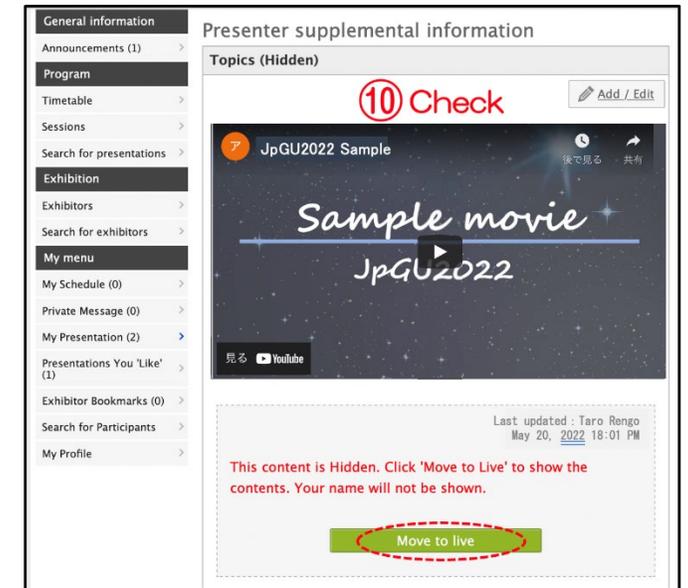

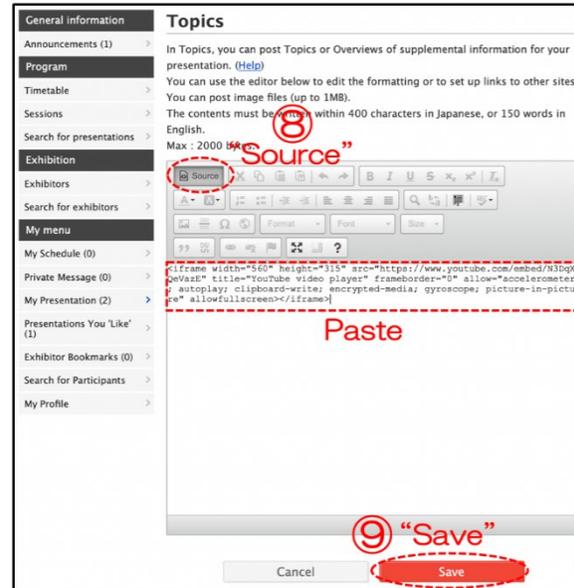

How to upload additional presentation materials (7/7)

⑧ Click the "Source" and Paste the text copied in ④ and ⑨ "Save".

⑩ Check your movie in the Topics. Click "Move to live" to publish the contents to participants.

Click "OK" when the message "Are you sure you want to move to live ?" is displayed.

Click "Move to staging" to hide (unpublish).

Introduction of Confit Convenience Features

The screenshot shows the Confit website interface for the Japan Geoscience Union Meeting 2021. The page is divided into several sections:

- Navigation Menu (Left):** Includes options like 開催情報 (Event Information), タイムテーブル (Timetable), プログラム (Program), 展示会 (Exhibition), and 参加者検索 (Participant Search), which is highlighted with a yellow arrow.
- Main Banner:** Features the text "Japan Geoscience Union Meeting 2021" and "Online : MAY 30 - JUNE 6, 2021".
- Search Sidebar (Right):** Contains a search box for titles and authors, a search button, and a link to detailed search.
- Notice Section:** A notice titled "お知らせ" (Notice) stating that a provisional program has been released and may change.

The screenshot shows the 'Edit my profile' page on the Confit website. The page is for the 'Japan Geoscience Union Meeting 2021' (Online: MAY 30 - JUNE 6, 2021). The main content area displays the user's profile for '和田 浩二' (Koji Wada), including a placeholder for a profile picture, name, affiliation (千葉工業大学惑星探査研究センター), and a 'マッチングフラグ' (Matching Flag) for '宇宙惑星科学セクション'. A yellow arrow points to the '編集' (Edit) button next to the name. The page also features a search box for presentations and a list of past programs.

Events

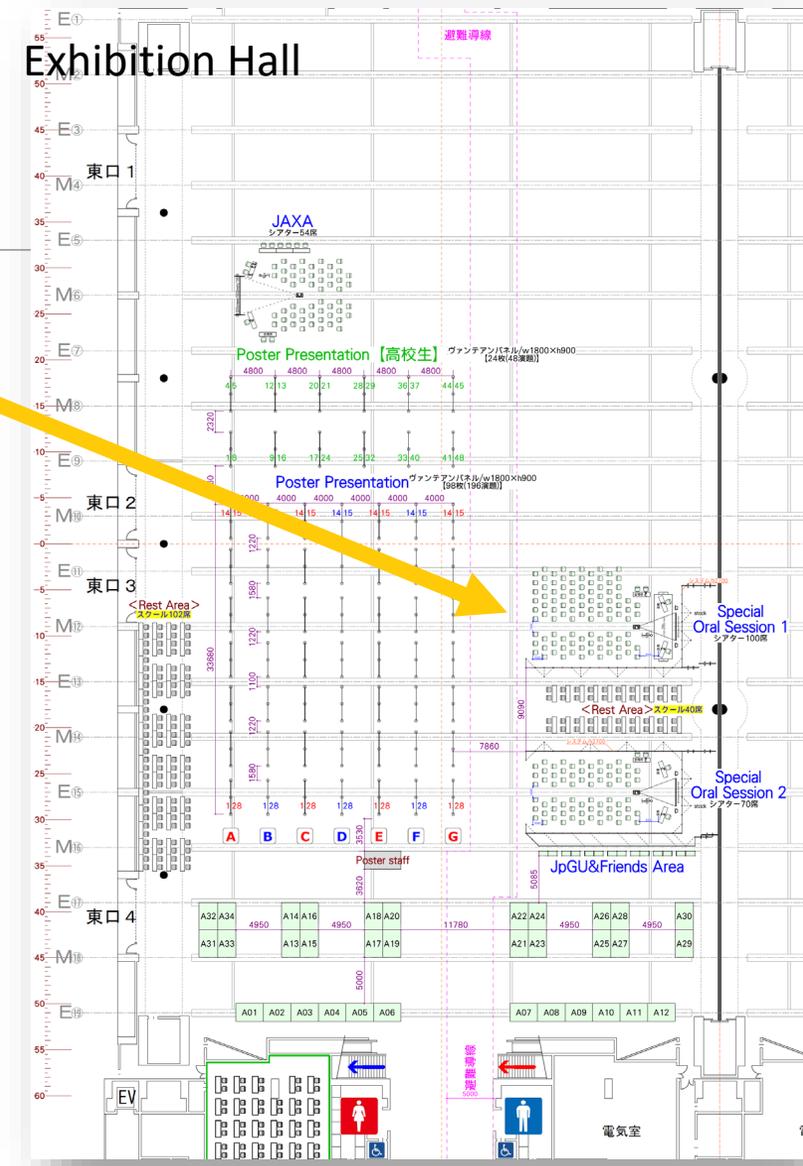

Awards ceremony

It will be held on Sunday, May 22 at the slot PM3 in the special setting 1 in the exhibition hall, with a Zoom online broadcast.

【Japan Geoscience Union Fellowship 2022】 (Alphabetical order, titles omitted)
Sachiko Amari, Tomoo Katsura, Kimitaka Kawamura, Hisashi Nakamura,
Atsumu Ohmura, Yuji Sano, Kaoru Sato

【Japan Geoscience Union Science Prize (Miyake Prize) 2022】 (title omitted)
Akira Tsuchiyama

【Introduction of the Recipient of the Taira Prize 2021】 (title omitted)
Rosalind Coggon

Lunchtime Special Lectures

10 Nishida Award winners will give each lecture in Japanese at lunch time during the Hybrid period, with the number of lecturers changing daily (2 per day).

- Online presentations will also be relayed to the local room (105), vice versa.

Dates	On-site/On-line	Lecturer	Presentation Title
May 23 (MON)	On-line	Norio Narita	TESSと地上追観測の連携によるトランジット惑星の探査
		Yu Kosaka	地球温暖化の加速と減速の要因分析
May 24 (TUE)	On-site	Tatsuhiko Yokoyama	地球と宇宙の境界を診る
		Futoshi Takahashi	磁場で視る地球深部と惑星の多様性
May 25 (WED)	On-line	Miaki Ishii	古地震計記録: 朽ちゆくデータの難題と可能性
		Yuki Morono	未知の扉を拓くカギ: 革新的生命検出法の開発による海底下微生物生命圏の実像と生態の解明
May 26 (THU)	On-site	Jun Tsuchiya	地球深部へと水のバトンをつなぐ鉱物たち
		Azumi Kuroyanagi	有孔虫から読み解く過去の環境変遷— 古環境研究が拓く未来
May 27 (FRI)	On-line	Nobuhiro Moteki	光吸収性エアロゾルの測定技術の開発と気候影響に関わる観測的研究
		Atsushi Okamoto	岩石—流体相互作用の反応—物質移動—破壊のフィードバックと組織形成

Introduction of geological outcrops at JpGU2022

This event is co-hosted with the Geological Society of Japan. It will be held online (scheduled for the afternoon of Sunday, May 29).

Various outcrop photos will be brought in and their scientific significance will be explained via Zoom, and participants will be invited to ask questions and make comments. Introductions and questions from geology students and researchers as well as those who know little about geology are welcome.

Visit and see the Geological Society of Japan website (sorry, in Japanese).

<http://www.geosociety.jp/science/content0146.html>

Presentations and Q&A sessions are basically conducted in Japanese.

Presentation application deadline: Monday, May 16, 18:00 (There is no deadline for registration if you just want to attend or watch the presentation; YouTube streaming will also be available).

Zoom link and/or YouTube link will be posted in Confit as well (TBD).

Training classes (JpGU super lessons)

- There will be no remote broadcast of the "Hands-on Practice/Demonstration" sessions.
- In order to pay honoraria to the lecturers, there will be a partial fee and a limited number of seats will be available.
- Lessons are basically conducted in Japanese.

JAXA-NASA Lectures

- For junior high and high school students
- The hybrid event will be held on the first day (May 22) in PM 2 and 3 on the lecture stage in the exhibition hall.
- Please register for both on-site and online participation.
<https://forms.gle/8pnsS6Y79MYiGioe6>
- Participation in this event is free of charge, both on-site and online.
- For inquiries, please contact JpGU Public Relations and Dissemination Committee, in charge of JAXA-NASA Lectures
jaxa_nasa@jpgu.org

2022年5月22日 (日) 15:30~18:30

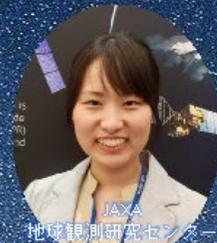

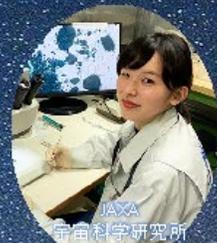

次の世代につなぐ宇宙科学の最前線

～JAXA・NASAによる高校生向け講演会～

幕張メッセ国際展示場 8 ホール (JpGU 2022会場内) ※要参加登録

JAXA・NASAが進める宇宙科学の最新情報を紹介します。現地参加ならJAXA研究者と直接交流も！
オンライン参加も可：Zoomウェビナー

プログラム (予定)

15:30	NASA宇宙科学の最前線 Katherine Calvin (NASA) Lori Glaze (NASA) Nicola Fox (NASA)	 NASA 主任科学者 (ビデオ出演) Katherine Calvin	 JAXA 宇宙科学研究所 副所長 (モデレーター) 藤本 正樹	 JAXA 地球観測研究センター 研究開発員 山地 萌果	 JAXA 宇宙科学研究所 研究開発員 与賀田 佳澄
16:15	JAXA宇宙教育センターから 高校生に向けて：地球規模、 宇宙視点の考え方 北川智子 (JAXA)	 NASA 太陽系物理学部門 部門長 (ビデオ出演) Nicola Fox	 NASA 惑星科学部門 部門長 (ビデオ出演) Lori Glaze	 JAXA 宇宙通信センター センター長 北川 智子	 JAXA 宇宙科学研究所 太陽系科学研究系 IYF 鳥海 森
16:35	JAXA宇宙科学の最前線 鳥海森 (JAXA)：太陽観測 村上豪 (JAXA)：水星探査 与賀田佳澄 (JAXA)： リュウグウサンプル 山地萌果 (JAXA)：地球観測	 JAXA 宇宙科学研究所 太陽系科学研究系 助教 村上 豪			
17:45	JAXA登壇者を囲む自由交流会 ※現地参加のみ				
18:30	イベント終了				

Japan Geoscience Union Meeting 2022
Hybrid (in-person & online): May 22 - 27, 2022
Online Poster Session: May 29 - June 3, 2022
On-site: MAKUHARI MESSI, Chiba, Japan

Example at JpGU 2021

休憩スペースへようこそ! / Welcome to Lounge Space!

You are here.

自分のアバター (アイコン) を自由に移動してみましょう。他の方々のアバターに近づくと声が聞こえ、お話や画面共有などによる議論が可能です。
You can move your avatar (icon) around freely. When you approach other people's avatars, you will hear their voices, and you can talk to them or share your screen with them for discussion.

Measures to be taken due to EGU and the period (5/23-5/27)

Allows mutual login for joint sessions with EGU.

JpGU decided to open Zoom URLs of the following five joint sessions with EGU only on the EGU participants-only website during the limited time of the sessions.

H-DS07	Landslides and related phenomena
H-TT14	High-definition topographic data for connectivity in the anthropocene
S-GC35	Volatiles in the Earth - from Surface to Deep Mantle
B-PT03	Biomineralization and Geochemistry of Proxies
M-IS04	Geomaterial in cultural heritage: investigation techniques, weathering, and conservation

IMPORTANT UPDATE: Due to the changing regulations on events in Austria and concerns over high infection rates in Europe, EGU is moving the dates of the annual General Assembly in 2022 to 23-27 May. All presentations will be short orals that can be delivered and viewed both online or in-person. Late abstracts can be submitted until 26 January 2022 at 13:00 CET. To move your abstract to a new session please email egu22@copernicus.org by 26 January 2022 at 13:00 CET. For more information and to seek assistance with regards to this change please [visit this page](#). Please read the [full EGU news announcement](#).

EGU sessions that can be viewed and attended from JpGU

Session ID	Title	Dates
EOS3.1	Promoting and supporting equality, diversity and inclusion in the geosciences	Tue, 24 May, 08:30–10:00 (CEST) Room 1.14, Wed, 25 May, 08:30–11:50 (CEST) Room 1.14
SSP1.2	Achievements and perspectives in scientific ocean and continental drilling	Tue, 24 May, 08:30–11:44 (CEST) Room -2.32/33
NH4.1	Short-term Earthquakes Forecast (StEF) and multi-parametric time-Dependent Assessment of Seismic Hazard (t-DASH)	Fri, 27 May, 08:30–11:47 (CEST), 13:20–14:05 (CEST) Room M2
BG4.1	Experimental Approaches in Marine Biogeosciences	Fri, 27 May, 08:30–11:49 (CEST) Room 2.95

Main schedule for the future

日程	項目
May 12 (THU)	Regular Registration Deadline
May 13 (FRI)	Abstract PDFs available • Confit login authentication started e-poster and on-demand videos available
May 17 (TUE) 12:15-13:15	The 4 th online briefing (information for presenters, chairpersons, and participants) https://us02web.zoom.us/webinar/register/WN_eD3eer55TMqq48l1BCrgXg
May 18 (WED) 10:00-11:00	The 4 th online briefing (information for presenters, chairpersons, and participants) in English https://us02web.zoom.us/webinar/register/WN_7FPdLZ0HRieQyG10sW6Sog
May 19 (THU)	Zoom link open, Deadline for uploading poster presentation materials
May 20 (FRI) 12:15-13:15	The 4 th online briefing (information for presenters, chairpersons, and participants), same as on May 17 https://us02web.zoom.us/webinar/register/WN_0u-dS4nJRyCXcAYFdqLoaw File collection system is scheduled to go into operation
May 22 (SUN)	First day of the meeting

Japan Geoscience Union Meeting 2022

Hybrid (in-person & online) : May 22 - 27, 2022

Online Poster Session: May 29 - June 3, 2022

On-site : MAKUHARI MESSE, Chiba, Japan

Your understanding and cooperation would be greatly appreciated!
Register as early as possible for the meeting!

Prerequisite for approval as a formal presentation

Please take note of the presentations by graduating students.

Oral presentation :

- The contributor (first author) must have paid the meeting registration fee.
- The presenter must make a live presentation during the oral session. Presentation materials such as pre-recorded videos may be played and webcast during the session (regardless of the player or the method of playback). If you wish to present your work using the pre-recorded materials, please notify the session conveners in advance.
- In principle, the presenter must be the contributor, and the presentation is considered to be made if it is given live or the pre-recorded video by the contributor himself/herself was played. However, in case of unavoidable circumstances, the original presenter can designate a substitute presenter from one of the co-authors to give a presentation. The presentations is then considered to be made by the designated substitute.
- Please note that if you are not able to present at all during a session due to network problems, etc., your presentation will not be considered as formally presented. Please check your internet connection in advance.

Poster presentation :

- The contributor (first author) must have paid the meeting registration fee.
- **Contributors must upload** poster materials in their own presentation space on the meeting portal site (Confit).
- Poster presentation materials should be in the form of an e-poster or on-demand video. If there are unavoidable circumstances such as the registration deadline for presenters has passed, you may upload your poster as "Additional Presentation Materials", but do not delete the additional presentation materials after the poster presentation.
- Please note that **only presenting a poster in the core time on site or in the online poster session is not sufficient** to be formally approved as presented. At least one poster presentation material must be uploaded on the meeting portal site (Confit).

Guidelines for handling presentation materials at JpGU meetings (excerpt)

Notes for viewers and participants

- Participants **must not save all or part of the oral or poster presentations** made by others as digital information without permission. (e.g., screen shot of the presentation screen, screen recording, sound recording, etc.)
- If downloading of the abstracts, program list, etc. is permitted, it should be limited to personal storage and use.

Notes for presenters

- **The copyright of slides and other materials used in presentations at all formats of meetings belongs to the presenter.** (On the other hand, the copyright of the abstracts belongs to JpGU.)
- The presenter agrees that the Japan Geoscience Union may store his/her presentation as digital information. (**The JpGU office will record the Zoom sessions only for the record.** It will not be distributed on demand except in special cases.)

Others

- All the meeting participants are required to **comply with research ethics** regarding the handling of materials presented by others. All the meeting participants must understand and agree to the above conditions before participating in the meeting.
- Photographing, recording, or videotaping of oral and poster presentations, and other special lectures during the on-site meeting is prohibited without the permission of the Japan Geoscience Union.
